Dear Chairwoman DeLauro and Ranking Member Granger:

As you draft fiscal year 2023 appropriations legislation, I write to request consideration of the following Community Project Funding request submitted to my office:

- **210 W. Fulton St. Rehab Project for Low-Income Housing, Community Meeting Space, and Senior Programming – Edgerton, WI**
 - **Amount:** \$700,000
 - **Recipient:** Edgerton Community Outreach, Inc.
 - **Address:** 106 S. Main St.
Edgerton, WI 53534
 - **Purpose:** To renovate 210/212 W. Fulton St., one of Edgerton, WI's oldest original buildings, to create six units of affordable housing for low-income persons, create a home for veterans' groups meetings and public events, as well as senior programming. This investment is crucial to revitalizing a vacant building at the heart of the downtown community that is at risk due to lack of maintenance.

I thank you for your full and fair consideration of this request. I certify neither I, nor my immediate family, have any financial interest in this Community Project Funding request, and I have made it publicly available on my website at the following address: <https://pocan.house.gov/community-and-member-designated-project-requests>. Please do not hesitate to contact me anytime with any questions or concerns, and your staff may contact David Bagby of my staff at (202) 225-2906 or david.bagby@mail.house.gov.

Sincerely,

Mark Pocan
Member of Congress
